

PRACTICAL STEPS FOR CREATING HEALTHY ORGANIZATIONS: From Words to Action

For Employers, Managers, EAP, Human
Resource and Occupational Health Staff

DR. GRAHAM LOWE

Recognized international expert on work and
organizations will address the question:

**"How can we design effective strategies to make
organizations healthier and more productive?"**

Dr. Lowe provides the guiding principles and
tools that will help you design and implement
successful change, building on your strengths
and anticipated future needs.
